WARRANT for ANNUAL TOWN MEETING

State of New Hampshire

GRAFTON, SS.

TOWN OF LYME

To the Inhabitants of the Town of Lyme, New Hampshire,  
who are qualified to vote in Town affairs:

You are hereby notified that the annual town meeting of the Town of Lyme, New Hampshire, will be held at the Laura Barnes School Auditorium on Tuesday, March 11, 1980, at nine o'clock A.M., to act upon the following subjects.

Polls will open for voting by ballot for the election of town officers at 9:00 A.M. and will close at 6:00 P.M., unless the town votes to keep the polls open to a later hour. The business meeting will start at 9:00 A.M.

ARTICLE 1. To vote by a non-partisan ballot for the following town officers:

One selectman to serve for a term of three years.

A tax collector for a term of three years.

A town treasurer to serve for a term of three years.

A road agent to serve for a term of one year.

A supervisor of the check list to serve for a term of six years.

The overseer of public welfare to serve for a term of one year.

A sexton to serve for a term of one year.

One trustee of town trust funds to serve for a term of three years.

Two auditors, each for a term of one year.

Two members of the planning board, each for a term of three years.

Three members of the town budget committee, each for a term of three years.

Three members of the recreation committee, each for a term of three years.

A constable for a term of one year.

Two library trustees, each for a term of three years.

And such other town officers as may be required by law.

ARTICLE 2. To vote on the official ballot as to whether the Town will adopt the Expanded Exemption on Real Estate for the Elderly, as provided in RSA 43-b and 43-c. (Amended 1977, 226:1; 576:3, eff. April 1, 1977.)

ARTICLE 3. To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 as amended, in the amounts indicated, namely: \$700 for the purchase of recording equipment and \$1,300 for the purchase of a clerk's office typewriter.

- ARTICLE 4. To see if the Town will vote to authorize the withdrawal from the Rachel Miller Fund and appropriate the sum of \$1,782.45, plus all interest accrued after December 31, 1979, for the improvement of the skating rink at Chase Beach. (Recommended by the Budget Committee.)
- ARTICLE 5. To see if the Town will vote to pay into the Capital Reserve Fund, known as the Bridge Reserve Fund, the sum of \$15,000, and the Capital Reserve Fund known as the Equipment Reserve Fund the sum of \$35,000.
- ARTICLE 6. To see if the Town will vote to authorize the Selectmen as agents of the Town to expend money from any Capital Reserve Fund for the purposes set forth in the budget, as submitted by the Budget Committee and approved by this Town meeting; namely, Bridge Reserve \$17,000; Construction Reserve \$1,500.
- ARTICLE 7. To see if the Town will vote to have the Selectmen appoint a committee to determine the feasibility of receiving Federal, State and/or private funds to restore the Academy Building.
- ARTICLE 8. To see if the Town will vote to designate the Academy Building as an historic building.
- ARTICLE 9. To see if the Town will vote the sum of \$5,000 for repairs to the Academy Building.
- ARTICLE 10. To see if the Town will vote to approve the employment of a police officer full-time on July 1, 1980, resulting in a police budget for 1980 in the amount of \$21,250. (Recommended by the Budget Committee.)  
NOTE: It is estimated by the Selectmen that the 1981 Police Budget resulting from approval of this article will be \$23,500.)
- ARTICLE 11. To see if the Town will vote to rescind previously approved capital expenditure from Revenue Sharing Funds for the purchase of certain land owned by the State of New Hampshire on High Street. (Recommended by the Budget Committee.)
- ARTICLE 12. To see if the Town will vote to appropriate and authorize withdrawal from Revenue Sharing Funds \$5,000 for the purchase of land to be used in the eventual construction of a municipal building. (Recommended by the Budget Committee.)
- ARTICLE 13. To see if the Town will vote to appropriate and authorize withdrawal from Revenue Sharing Funds \$4,759.00, which amount matches gifts to date from local sources, to be used for the development of plans for expansion of the Converse Library. (Recommended by the Budget Committee.)
- ARTICLE 14. Shall the Town of Lyme authorize the sum of \$2,073.00 as its share of the local match required for Federal Funds administered by the New Hampshire Transportation Authority, the said sum to be paid in monthly installments, as required by the public transportation program, to the Upper Valley Senior Citizens Council, Inc.? (Inserted by petition.)
- ARTICLE 15. To see if the Town will vote to raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same as recommended in the budget submitted by the Budget Committee.

- ARTICLE 16. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept from the Federal or State government, or any subdivision thereof, or from private corporations, or individuals, funds, equipment, services, or grants and aid relative to relief from disaster, or for any purpose consistent with public need and benefit, and to authorize the Selectmen to disburse such funds as they deem necessary.
- ARTICLE 17. To hear the reports of Agents, Auditors, or Committees, or other officers heretofore chosen, and to pass any vote relating thereto.
- ARTICLE 18. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of tax revenues, as provided under the Municipal Finance Act, RSA Chapter 33.
- ARTICLE 19. To see if the Town will vote to require property owners to obtain a building permit from the Selectmen for any new construction, maintenance or alteration costing more than \$500.
- ARTICLE 20. To transact any other business that may legally be brought before this Town meeting.

Given under our hands and seals of the Town of Lyme this thirteenth day of February 1980.

	Deaths Investigated	4
	Intrusion Alarms	12
	Domestic	20
	VIN Checks	21
	Court Fines	\$2,600

The preceding activity report summarizes the demands placed upon your Police Department during 1979. As has been the trend for some years, the requests for time and service once again increased. The most disturbing aspect this year is the marked increase in criminal activity in Lyme - specifically in the areas of theft and burglary. Another activity which required a considerable increase in officer's time was the investigation of dog complaints.

Space limitations prevent a detailed analysis of activities and requests. However, it should be noted that the largest number of complaints received involved citizens' concerns regarding some phase of motor vehicle operation. These concerns were not limited to Route 10, but came from all areas of the community.

Your Budget Committee has approved a significant increase in the police budget for 1980. This increase is for the purpose of hiring a full-time police officer starting in July of 1980. Much deliberation and discussion has gone into the making of this decision, and although it represents a bold step, it appears to be the only solution to Lyme being able to at least maintain the level of service which you, the town residents, are asking for. Another factor in this decision is that the 1979 State Legislature has mandated that by sometime in 1981 all part-time police officers must have attended classes and passed a written examination given by the State

and thereby become State certified.

I have reviewed the activities of the Lyme Police Department with your Selectmen, other police chiefs and State police officials, and all agree that the level of activity justified a full-time officer. I have also made a survey of the police budgets in other New Hampshire towns having a population about the same as that of Lyme. Representative budgets run from \$19,500 to slightly over \$30,000. It should be further pointed out that Lyme is now the only town surrounding the Tri-Town area (Hanover - Lebanon White River Junction) that does not have at least one full-time officer.

The Lyme Police Department is fortunate to have obtained the services of Ronald Jenks, a Lyme native who completed four years of service with the Air Force Military Police in late 1979. It is hoped that Ron will have a long, rewarding association with your department.

ARNOLD R. KIMBALL  
Chief-of-Police

#### FOREST FIRE WARDEN and STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full-time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in anyway possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment.

is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States, with less than one-half acre of woodland burned in each fire reported.

The library continues to be open every morning and afternoon for school use. In addition to scheduled class hours, this year has seen more and more spontaneous use by students for research projects. A weekly children's film program during the year was a hit, as was the very successful summer movie series. The latter attracted as many as 50 children per showing. Alternative energy workshops, directed by Chris Brown, were also part of the Summer Library schedule.

As in the past, the Library has depended upon many volunteers. Eleanor Mudge has again delivered books to shut-ins every two weeks, circulating 300 books during 1979. Barbara Roby and Betty Parkhill have processed books on a regular schedule, and Elsie McCarthy has always been willing to assist with school sessions. Special mention must be made of Edythe Watson's gracious presence as assistant librarian on Saturday afternoons and of Pat Greenwood's willingness to act as substitute librarian whenever she is needed.

A very useful addition to our reference collection acquired this year was Granger's Index to Poetry, given by Mr. and Mrs. Jack Shriever, in memory of Mrs. Schriever's parents.

A large and valuable collection of slides of France, taken by the late Robert Desné, was donated to the library in his memory, along with a sizable memorial fund. We were fortunate to have Mrs. Desné narrate a sample of this collection at an Open House held in the library last November.

A reception on the library grounds was held this summer in honor of Miss Gladys Gaylord. The enthusiastic attendance by friends, patrons and well-wishers was testimony of the appreciation felt for Miss Gaylord's contribution to the community. The closing of the Lyme Center Branch Library, which she maintained in her home since 1953, was commemorated by a silver bowl presented by the Trustees. Our sincere thanks and best wishes for the future go out to Miss Gaylord and to Julia Elder who served as Librarian.

The Library building project was given high priority this year. The crowding of the Converse Building was made evermore evident by the high usage and by having to accommodate the book collection from the Lyme Center Branch. The Trustees reactivated their plans, made several years ago, to promote the library for broader community use. In addition to acquiring adequate space for ongoing functions, the major goals of the building project are to promote Lyme's history, its lore and its cultural heritage. Small group meeting sites and areas for the display of local talents and crafts are primary objectives.

Again, we owe much to the many individuals and organizations who con-

tributed their time, efforts and finances to the library and its goals.  
The Trustees wish it to be known that we could not do without their continuing support.

For the Trustees,

LAWRENCE E. MCCARTHY, Chairman

LYME HOME HEALTH AGENCY

Report of the Board -- 1979

The Lyme Home Health Agency has continued to increase its activities in 1979, thanks to the many hours of dedication on the part of our professional staff, board members and other volunteers. Our agency nurses have made a total of 582 visits, an increase of 25% over 1978. Visits are not denied to residents of Lyme for reason of inability to pay, in which case partial payments are acceptable to the extent of one's capacity.

In conjunction with the Lebanon Area Health Council, we have implemented the Homemaker/Home Health Aide Program available to residents over 65 years of age.

In addition to the care of the sick and infirm, the agency's efforts are directed toward health promotion, education and well-being of the community in the following ways:

1. Well-child clinics are held jointly with the Orford Home Health Agency with alternating sessions in the two towns. Mothers with pre-school children are encouraged to bring their children regularly to assure proper development in their early years. There is no charge for examinations, tests or immunizations made by medical personnel. Also available at these clinics is a team from the WIC (Women, Infants and Children) program to assist with nutrition information and supplementation. In 1979 the total well-child clinic visits were 168. Of these, 75 were children of Lyme from 34 families. This represents a 43% increase in attendance of Lyme children over last year's total.
2. Blood pressure screening clinics are held at the Laura Barnes School on the fourth Thursday of each month from 4-6 P.M. During 1979, in addition to 229 blood pressure screening exams, influenza vaccinations and diabetic screening tests were included at some of these clinics. This service is open to all adult residents free of charge.
3. Dental clinics are held with the Orford Agency twice a year. There were 48 visits in 1979.
4. Educational programs arranged by our educational committee included a series of parenting sessions led by Gretchen Holm of the West Central New Hampshire Community Mental Health Services. Three discussions relating to normal child development, as well as problems occurring from infancy to adolescence were followed by workshops for interested parents. Ray Durante, also from West Central, led a discussion on drug addiction, stressing the increasing abuse of alcohol in this and other counties of the state. Displays and information were available at the clinics on subjects such as safety, poison prevention, dental hygiene, nutrition and other health maintenance topics.

The agency nurse may be reached by calling 795-2661 weekdays, from 9-12. If she is out, messages will be given to her. Inasmuch as nurses are restricted to following a doctor's prescription in the care of the sick or injured, a medical doctor or emergency service should be called in case of emergency.

## REPORT OF THE RECREATION COMMITTEE

The Recreation Committee began a number of projects in 1979. The largest undertaking has been the new entry road to the bathing beach at Post Pond. After deliberating over maintaining the old road or cutting a new one, the committee decided to use some of its funds, raise money through refreshment concessions that were run by some members and many players from local teams during the August softball tournaments, and ask for volunteer labor and equipment to build the new road. Everything worked well and the road was begun in the Fall. The old road will be closed as soon as the new one is completed.

The new access road to the beach shares its initial opening way with the boat landing and then veers to the right. It provides a convenient access to the skating rink, a project that the committee has worked on for a number of years. The town was willed some money in trust by Miss Rachel Miller some years ago, and it was this money that the committee used to improve the rink, buy new equipment for it, and build a house to shelter the pump. The Lyme children have been enjoying Sunday afternoon figure skating lessons. There have been many ice hockey games on the rink and often there are people skating just to pass the wintertime outdoors.

During the Winter of 1979, many children participated in the Lyme Recreational Ski Program. However, this year there has been no snow and even though many children had registered for the lessons at the Skiway, no one was able to actually conduct lessons at all. The people in charge of the program had planned new and interesting programs for the children and will work to make skiing better than ever for the participants in 1980-81.

During the Winter and Summer of 1979, the Recreation Committee sponsored art shows at the Lyme Congregational Church, shows that exhibited the paintings done by Lyme elementary, middle and high school students. Plans are underway for a third exhibit.

The summer swimming program at Post Pond was reorganized into two sessions of three weeks apiece. The parents seemed to appreciate this new way of handling lessons and there were more children enrolled than ever.

To the east side of the beach area lies a new horseshoe pit that was constructed and inaugurated this past summer. People seemed to use this game each week of the summer.

The two ballfields were in use in the Spring and Summer. The ball field at the beach was designated as the site of the 1979 Women's and Men's

Softball Tournaments for this area and many people came to enjoy watching good baseball. During September, October and November, the Lyme School's two soccer teams played ball on the upper school field during the week and practiced each Sunday there. The coaching was supplied by young people who attend the high schools in the area and who once were Lyme students. Peter Olmsted co-ordinated this effort. Parents came to supervise.

John Fulton served as summer recreation director. The job John did has been commendable. He ran a night program at the Lyme School for three nights each week. He devised and led games for young people between the ages of 5-12 each afternoon at the Post Pond field. John, with the help of Harry Franklin, replaced the fence around the Beach parking lot. They bolstered up the lifeguard's shack and painted the toilet. They also did some work on the changing-house structure.

#### REPORT OF THE CONSERVATION COMMISSION

Your Conservation Commission was gratified to have had its Sign Ordinance, though somewhat modified, accepted at Town Meeting in March, and a little surprised at the meeting's reaction to the Sevigny property article.

In pursuit of the meeting's instructions concerning the property, members of the Commission have themselves become more familiar with it, and the County Forester has been consulted for his evaluation in relation to various forestry practices. Groups in Lyme are being asked for their suggestions. No real plan has as yet been formulated as it seems better to consider all angles than to rush to a premature decision. Another public walk was led by John Harlow in October.

Once again a successful Green-Up day was held early in May, advertised by a poster competition for Elementary School students.\*

The Environmental Aides program in the school, teaching ecology to Grades I - IV, was also continued.

The Water Pollution and Control Board was notified of two violations of Wetland laws, one of which resulted in legal action by the State.

Meetings of the Commission are held on the first Tuesdays of each month at 7:30 at homes of the members. All interested citizens are cordially invited to attend.

RUTH DEMAREST, Chairman

#### YOUTH COUNSELOR COMMITTEE

The committee was pleased to begin the year with a clear mandate from voters at the 1979 Town Meeting to continue its work with an appropriate budget. The committee is deeply appreciative of this vote and has endeavored to honor this confidence throughout the year.

The first order of business seemed to be to review the purposes of the committee as presented at the 1979 Town Meeting so that the work of the committee could be so organized to carry out these purposes and goals. As a result of this review, one of the major goals of the year became that of documenting more completely the work of the Youth Counselor, in terms of time spent, the number of persons counseled, and the type of help which was given to those counseled. As a result of this documentation a clearer picture of the counseling needs of the young people of Lyme became evident and surely supported the wisdom of the voters in continuing the Youth Counselor as a paid staff for the Town of Lyme.

Ford Daley, the Youth Counselor for Lyme, has during the past year had over 115 conferences with Lyme young people, and over 60 similar conferences with parents, each of which may range from a short meeting to one of many hours of counseling and working together in a variety of situations. Special thanks are due to Ford for his around-the-clock availability and the unstinting use of his time and energy. The fact of having the police chief as a member of the committee has resulted in an excellent interaction and has enabled the committee and Ford to be aware of many situations for which counseling could be helpful.

The committee felt that inter-action with the Recreation Committee was important so that the work of two groups would not overlap and would reinforce each other's efforts for the youth of Lyme. The two committees held a joint fall meeting and subsequently chairmen of the committees have conferred whenever appropriate.

The committee will welcome any suggestions for improving its effectiveness. Please contact any of the members of the committee, or Ford Daley directly. They may be reached by calling their listed telephone numbers.

GRAFTON COUNTY COMMISSIONERS

To the Citizens of Grafton County:

In an effort to communicate more directly with the taxpaying citizens of Grafton County, we, the Grafton County Commissioners, are writing to you through your individual town or municipal reports.

Last year (1978-79) the total county tax raised was \$1,977,142. These monies were appropriated by the County Delegation and administered by the Commissioners. Some of the ways this money was spent was in maintenance of our courthouse, nursing home, county farm, sheriff's department, jail and house of correction, social welfare, etc.

The average number of patients in our nursing home is 140. The average daily census of the Jail/House of Correction is 25. We had a total of 349 inmates in the Jail and 114 inmates in the House of Correction during our fiscal year.

In addition to providing food for the nursing home complex and agricultural services for the community, the farm also continually shows a profit. In our fiscal year 1979 the farm profit was \$60,654, due in part to sales of pigs at \$5,500, cows at \$27,000, wood at \$1,800, hay at \$2,100, milk at \$135,444 and produce at \$48,129.

We have completed Phase II-Design of the sewage project and anticipate beginning construction under Phase III in the spring. The total overall cost of the project is approximately \$540,000, of which \$400,000 is federal grant, \$110,000 State share and \$30,000 County share.

We are making an effort to conserve energy, particularly in the courthouse building, and are taking a hard look at any modifications in this so-called "modern" facility that will make it a less expensive consumer of fuel.

A trial dispatching service was instituted for 16 area fire departments and probably will be made a permanent function during the latter part of 1979. A yearly fee is charged for this service.

Grafton County employs 230 people, of whom we are very proud. It is because of these people that Grafton County continues to operate efficiently and within budget.

There are many other concerns that we, the Commissioners, deal with. We invite the citizens of Grafton County to take part in any of our regular meetings held each Monday morning at the courthouse in North Haverhill.

SCHOOL DISTRICT WARRANT  
STATE OF NEW HAMPSHIRE

Grafton SS.

School District of Lyme

To the Inhabitants of the School District of Lyme, in the County of Grafton, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Auditorium of the Barnes School in Lyme, New Hampshire, on Thursday, March 6, 1980, at 7:30 in the evening, to act on the following subjects:

ARTICLE 1. To hear the reports of Agents, Auditors, Committees, or other officers heretofore chosen, and pass any vote relating thereto.

ARTICLE 2. To choose Agents or Committees in relation to any subjects embraced in this Warrant and fix their salaries.

ARTICLE 3. To see if the District will vote to establish a Capital Reserve Fund pursuant to RSA 35, to be used for the purpose of undertaking energy conservation measures; to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be paid into such fund; and to name the School Board as the agent of the District to carry out the objects of the Capital Reserve Fund, and to make such expenditures from the Fund from time to time as the Board deems necessary and proper.

ARTICLE 4. To see if the District will vote to request from the New Hampshire State Department of Education a waiver from the requirement to provide a school lunch program.

ARTICLE 5. To see if the School District will vote to accept the operational budget for 1979-80 submitted by the Budget Committee and pass any vote relating thereto.

ARTICLE 6. To see if the School District will authorize the School Board to make application for, to receive and spend in the name of the School District such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from federal, state, local, or private agencies or persons.

ARTICLE 7. To see if the School District will vote to accept the provisions of Public Law 89-10, designed to improve educational opportunities with particular reference to children of low income families, and to appropriate such funds as may be made available to the School District under said federal act for such particular projects as may be determined by the School Board. Further, to see if the School District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

ARTICLE 8. To see if the School District will vote to accept the provisions of Public Law 94-142, designed to improve educational opportunities with particular reference to handicapped children, and to appropriate such funds as may be made available to the School District under said federal act for such particular projects as may be determined by the School Board. Further, to see if the School District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

ARTICLE 9. To transact any other business that may legally come

before this meeting.

Given under our hands and seals at said Lyme this sixth day of February, 1980.

Michael S. Woodard, Chairman  
SCHOOL BOARD, SCHOOL DISTRICT OF LYME

LYME SCHOOL DISTRICT MEETING

March 1, 1979

The Moderator, David Washburn, opened the meeting at 7:45 P.M. at Laura Barnes School. He then read the School Warrant.

ARTICLE 1. To hear the reports of Agents, Auditors, Committees, or other officers heretofore chosen, and pass any vote relating thereto.

Bob Sanborn made motion that the reports of Agents, Auditors, Committees, and other officers heretofore chosen, be accepted as set forth in the printed report.

Motion seconded.

Voted in Affirmative.

ARTICLE 2. To choose Agents or Committees in relation to any subjects embraced in this Warrant and fix their salaries.

Eleanor Crary made motion to postpone indefinitely Article 2, there being no business to conduct under this article.

Motion seconded.

Voted in Affirmative.

ARTICLE 3. To see what sum of money the School District will vote to raise and appropriate for the construction of an addition to and the reconstruction and alteration of the Lyme school building and pass any vote in relation thereto. (Recommended by the Budget Committee.)

Albert Pushee made motion that the School District raise and appropriate the sum of One Hundred Two Thousand, Eight Hundred Fifty-Eight Dollars (\$102,858.00) for the construction of an addition to and the reconstruction and alteration of the Lyme school buildings.

Everett Rich seconded the motion.

Mike Woodard, Chairman of the School Board, explained that the article in the Valley News was incorrect. The bid for building the school has not been awarded and cannot be awarded until after this meeting.

The School Board has done everything to lower the money to be raised in taxes that it can. There has been some money raised in various other ways.

Steve Crary reviewed some of the events that have occurred since the beginning of trying to raise money for the reconstruction and when the gift money was given. We now have \$47,500 from gift money with interest. The amount to be raised by taxes is \$38,178. He explained the project is a combination of Gift Money, Tax Money, State Money and money being raised.

Glen Buzzell asked why we use the figure from last year's budget? The reason for this is that we want to start the building in this year 1978-79, and need the money in the Capital Reserve.

Mr. Olmsted spoke about the estimates for building and said he felt these were firm figures.

The Moderator said we would have a paper ballot on this Article.

YES 161

NO 34

Vote in Affirmative.

David suggested that we reverse the order of Articles 4 and 5. There were no objections so we went on to Article 5.

ARTICLE 5. To see if the School District will vote to accept an anonymous gift of Twenty Thousand Dollars (\$20,000.00) toward the cost of construction of an addition to the existing Lyme school building.

Note: This gift has been made on the following conditions:

- "1. This amount of \$20,000 shall be expended, together with other funds available to the School District, to pay for the cost of construction of an addition to the existing Lyme school building.
- "2. Action will be taken at the annual School District meeting in March 1979 to request the authority and the appropriation for the construction of the school addition.
- "3. In the event that the construction of the addition is not authorized at the annual School District meeting, then the gift of \$20,000.00 shall be redelivered to Attorney Laurence F. Gardner, to be donated to other charitable beneficiaries."

Bill Murphy made motion that the School District accept an anonymous gift of Twenty Thousand Dollars (\$20,000.00) toward the cost of construction of an addition to the existing Lyme School buildings, on condition that this amount of \$20,000 shall be expended, together with other funds available to the School District, to pay for the cost of construction of an addition to the existing Lyme School buildings.

Motion seconded.

Voted in Affirmative.

ARTICLE 4. To see if the School District will vote to raise and appropriate, in addition to the original appropriation of \$478,657. for 1978-79, a sum of Twenty-Five Thousand Dollars (\$25,000), (plus interest of approximately Two Thousand Five Hundred Dollars), (\$2,500.), and the amount to be placed in the Capital Reserve Fund of Forty-Seven Thousand Five Hundred Dollars (\$47,500) to make a total appropriation for 1978-79 of Five Hundred Fifty-Three Thousand Six Hundred Fifty-Seven Dollars (\$553,657.), plus additional interest, and authorize the application against this appropriation of Seventy-Five Thousand Dollars (\$75,000), (plus interest) already on hand, so that no part of the Seventy-Five Thousand Dollars (\$75,000), (plus interest) shall be raised by taxation, this sum being in excess of the amount needed to meet the original appropriation for 1978-79.

Jean Martz made the motion that the School District raise and appropriate, in addition to the original appropriation of Four Hundred Seventy-Eight Thousand Six Hundred Fifty-Seven Dollars (\$478,657.) for 1978-79, a sum of Twenty-Five Thousand Dollars (\$25,000), plus interest of approximately Two Thousand Five Hundred Dollars (\$2,500) and the amount to be placed in the Capital Reserve Fund of Forty-Seven Thousand Five Hundred Dollars (\$47,500), to make a total appropriation for 1978-79 of Five Hundred Fifty-Three Thousand Six Hundred Fifty-Seven Dollars (\$553,657.), (plus additional interest), and authorize the application against this appropriation of Seventy-Five Thousand Dollars (\$75,000), (plus interest) already on hand, so that no part of the Seventy-Five Thousand Dollars (\$75,000) (plus interest) shall be raised by taxation, this sum being in excess of the amount needed to meet the original appropriation for 1978-79.

Everett Rich seconded.

There were some questions about the wording of Article 4 and the figures used. Mike Woodard answered these questions.

Motion in the affirmative.

ARTICLE 6. To see if the School District will vote to establish a Capital Reserve Fund pursuant to RSA 35, to be used for the purpose of constructing an addition to and altering the Lyme school buildings, and to authorize the School Board as the agent of the District to expend any amounts transferred to the Capital Reserve Fund for such purposes.

Jean McIntire made the motion that the School District establish a Capital Reserve Fund pursuant to RSA 35, to be used for the purpose of constructing an addition to and altering the Lyme school buildings, and to authorize the School Board as the agent of the District to expend any amounts transferred to the Capital Reserve Fund for such purposes.

Motion seconded.

Voted in the Affirmative.

ARTICLE 7. To see if the School District will transfer to the Capital Reserve Fund, established in the previous article, the anonymous gifts totaling Forty-Five Thousand Dollars (\$45,000) which have been received and accepted by the School District, and to authorize the School Board to accept any additional gifts which have been or may be received for such purposes, and on such terms and conditions as the School Board deems in the best interest of the School District, and to then transfer to the Capital Reserve Fund such additional gifts, all such transfers to include any accumulated interest on the gifts.

Debbie Holmes made motion that the School District transfer to the Capital Reserve Fund established in the previous article the anonymous gifts totaling Forty-Five Thousand Dollars (\$45,000) which have been received and accepted by the School District, and to authorize the School Board to accept any additional gifts which have been or may be received for such purposes, and on such terms and conditions as the School Board deems in the best interest of the School District, and to then transfer to the Capital Reserve Fund such additional gifts, all such transfers to include any accumulated interest on the gifts.

Seconded.

Mrs. Putnam said that before we accept this money we should thank the donors and the School Board for their efforts. The Moderator asked that this be put in the record.

Motion in the Affirmative.

ARTICLE 8. To see if the School District will vote to accept the operational budget for 1979-80 submitted by the Budget Committee and pass any vote relating thereto.

Everett Rich made motion that the School District accept the operational budget for 1979-80 submitted by the Budget Committee and, further, that the School District raise and appropriate the sum of Four Hundred Ninety-One Thousand Two Hundred Thirty-Seven Dollars (\$491,237.00) for this purpose.

Seconded by Harry Sanborn.

Mike Woodard went over the budget and explained the increases.

Jim Nichols said he thought that some insulating should be done on the old part of the school, for example the gym, and wondered if this could be done at the same time as construction.

Russ Fearon told us about the CETA program, which has done surveys on schools in New Hampshire, and suggested that we might use their surveys and suggestions if we feel we can look into this matter further.

Motion in the Affirmative.

ARTICLE 9. To see if the School District will authorize the School Board to make application for, to receive and spend in the name of the School District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from federal, state, local, or private agencies or persons.

Dick Olmsted made motion that the School District authorize the School Board to make application for, to receive and spend in the name of the School District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from federal, state, local, or private agencies or persons.

Seconded.

Motion in the Affirmative.

ARTICLE 10. To see if the School District will vote to accept the provisions of Public Law 89-10, designed to improve educational opportunities with particular reference to children of low income families, and to appropriate such funds as may be made available to the School District under said federal act for such particular projects as may be determined by the School Board. Further, to see if the School District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

Dorcas Chaffee made motion that the School District accept the provisions of Public Law 89-10, designed to improve educational opportunities with particular reference to children of low income families, and to appropriate such funds as may be made available to the School District under said federal act for such particular projects as may be determined by the School Board.

Further, she moved that the School District authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

Seconded.

Motion in the Affirmative.

ARTICLE 11. To see if the School District will vote to accept the provisions of Public Law 94-142, designed to improve educational opportunities with particular reference to handicapped children, and to appropriate such funds as may be made available to the School District under said federal act for such particular projects as may be determined by the School Board. Further, to see if the School District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

George Wolford made motion that the School District accept the provisions of Public Law 94-142, designed to improve educational opportunities with particular reference to handicapped children, and to appropriate such funds as may be made available to the School District under said federal act for such particular projects as may be determined by the School Board. Further, he moved that the School District authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

Seconded.

Question was asked as to how many handicapped children we had in Lyme school. There are seven handicapped children.

Motion in the Affirmative.

ARTICLE 12. To transact any other business that may legally come before this meeting.

Dave asked if there was any other business to be brought before the

meeting and since there was none, Clyde Grant made motion to adjourn the meeting.

Meeting adjourned at 9:45 p.m.

Respectfully submitted,

JEAN E. BOMHOWER  
School District Clerk

#### SCHOOL DISTRICT MEETING

March 13, 1979

To elect officers of School District, at Town Meeting from 9:00 A.M. to 6:00 P.M.

Officers elected were:

Moderator	David B. Washburn
Clerk	Jean E. Bomhower
Treasurer	Jean E. Bomhower
School Board Member (3 yrs)	Philip H. Johnson
School Board Member (3 yrs)	Patricia Grant Jenks
Auditors	Stuart V. Smith, Jr. David C. Hewitt

Respectfully submitted,

JEAN E. BOMHOWER  
School District Clerk

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Treasurer of the School District of Lyme, of which the above is a true summary, for the fiscal year ending June 30, 1979, and find them correct in all respects.

October 1, 1979	STUART SMITH, Jr.
	DAVID C. HEWITT, Auditors

## LYME SCHOOL BOARD REPORT

The most gratifying event in the Lyme School District in 1979 was the Art-Music addition to the Barnes School. This addition was the culmination of several years work by numerous people to enrich the educational experience of Lyme's young people and provide much needed space for the day-to-day operation of the school. The addition is being fully utilized and is greatly appreciated by the students and school personnel. Thank you one and all for your support and sacrifice. Many thanks to the contributors who donated an additional \$1,300.00 in December, 1979.

Principal Don Campbell is to be commended for spending a good portion of the summer monitoring the progress of the addition, being available for input decisions, and information regarding the addition. He also was the liaison between the building contractors and the Lyme School Board.

Negotiations between the LEA and the LSB were settled with just two formal meetings compared to many unfruitful meetings in 1977-78. The smoothness of the procedures was a satisfying experience to those involved.

The staff is diligently working on the establishment of a health curriculum for K-8 by June, 1980. The Science and Social Studies curricula were finalized in 1979. The staff is working on the Lyme School goal to establish 8th grade graduation criteria.

All the curriculum sequences and minutes of the Lyme School Board meetings are available for anyone's perusal at the Lyme Town Library. The School Board would like to encourage townspeople to take a few minutes to go through this information at the Library pertaining to the Lyme School.

The following staff changes occurred in Lyme since the last annual district meeting. Elected in 1979 were:

David B. Callaway	(Language Arts) (6, 7, 8)
	Reading and Social Studies (6)
Barbara F. Dockham	Grade 4
Barbara C. Loyer	Speech Therapist (shared)
Constance C. Skewes	Art K-8

The Board is making progress in "winterizing" the Barnes School. There is a tremendous heat loss in this un-insulated structure. Just the proposed elimination of the single panel upper portions of the classroom windows is projected to save 1100 gallons of fuel oil a year. The possibility of Federal Aid for energy conservation for school is being pursued by school personnel.

Hugh Watson, Superintendent of Schools, has been an invaluable asset to the Lyme School Board and School District in his first full year as Superintendent. Dr. Watson's sound and logical advice to the Lyme Board has been a major factor in the accomplishments of the Lyme Board and the Lyme School staff in 1979. Under his guidance the Lyme Board looks forward to another rewarding year in 1980.

MARY F. CORNWELL  
EDITH R. JENKS  
PATRICIA G. JENKS
